

## Summer Sabbath - Monday through Wednesday July 10-12

This is an individual or family opportunity for classes, dinner and free concert on Wednesday. We will offer three very different classes: issues of poverty, the movie *Hidden Figures*, and a hands-on experience with art. The classes are two evenings, starting on Monday and finishing on Tuesday. Invite a friend to join you for the classes and/or the concert.

These nights center on that we all need time to unwind or decompress. We hope you will come knowing the rest that will be offered like a spring leaf that has come to rest gently upon the calming surface of a river's current. Come knowing that through fellowship, prayer and a shared meal you will find a sense of rest.

<p><b>Option 1: Art and Poetry for the Fun of It!</b></p> <p>Facilitators: Laura O'Brien Karen Caldwell</p> <p>Our artist, Laura O'Brien will make painting easy and fun by instructing us step-by-step in a creation for ourselves. This class is for fifth graders to 101 year olds.</p>	<p><b>Option 2: The Film, <i>Hidden Figures</i></b></p> <p>Facilitator: BW Professor Joe Tarantowski Claire Powell</p> <p>Three African-American women mathematicians telling their story and contribution to history. "Hidden Figures" is a powerful story exploring the NASA and Civil Rights of 60's. NASA's Langley Research Center of Virginia was recreated for the set in Atlanta. The creators write that they tried hard to maintain actual facts and details of artifacts portrayed in the movie.</p>	<p><b>Option 3: Poverty and Possibility</b></p> <p>Facilitators: Pastor Nathan Howe Amy Heran, teacher from <i>Bridges Out of Poverty</i></p> <p>Blessed are you who are poor, for yours is the kingdom of God. - Luke 6:20</p> <p>Using the lens of the economic class to provide us with an understanding of those who are poor in our own community. How does poverty relate to those in and those outside our church? We will discuss the hidden rules of our society as they pertain to poverty and explore the impact poverty has on individuals, organizations and our church.</p>
