

What Every Youth Should Experience

At the United Methodist Church of Berea, every youth should experience loving kindness and grace within our community as they are introduced to God and new life in Jesus Christ. Our mission as a church is to make and mature disciples of Jesus Christ for the transformation of the world. Young people can, and are expected by the grace of god, to grow in their faith and become true disciples. In addition, we believe that can and will transform the world, both now and in their future.

The below goals reflect our grace-inspired dreams for each youth in our ministry. These goals are supported by the youth ministries of the church, but not possible without the support and dedication of parents and/or other family members. They are also not possible without the full-inclusion of youth in our church. Youth are encouraged to serve within our congregation and participate in the leadership and vision of the church. After confirmation they are full members of the church and may lead and participate in committees, teams, and Bible studies.

The first section of this document reflects goals that are “measurable” in that we know youth are learning them by asking them about these skills. The second set reflects practices we hope youth are familiar with. Both we believe can be seen by graduation with faithful participation of families and regular attendance in Sunday School and worship. The third section is a full-scope view of our Rites of Passages birth-graduation.

You will then find information on the Confirmation and Launch program. **Confirmation** is a two-year journey culminating with confirmation and membership vows. Confirmation Sunday School classes, retreats, and pastoral consultation. **Launch** is a four-year program that extends the faith formation process after confirmation. Launch has both an independent discipleship piece (tracking and journaling holy living) and mentorship with an adult disciple of our congregation. ***The goal is to encourage youth to be life-long discipleships of Jesus that will transform our world.***

If you would like pastoral guidance in considering next steps for your family’s discipleship, either of our pastors would be happy to talk with you.

10 Spiritual Practices by Graduation

These are the same practices we hope for by 5th grade. The prayer is that these practices would deepen, become more formative to the faith of youth, and would serve as a witness to others.

1. The practice of quiet	How to be still and listen for God, and empathetic listening
2. The practice of love	Sharing kindness, encouragement, and gratitude.
3. The practice of Bible-reading/study	Application and reflection on Scripture
4. The practice of prayer	The function of prayer – why pray? Multiple ways to pray.
5. The practice of worship	Difference between prayer and worship, how to worship in community and on their own.
6. The practice of community	Understanding that community experience is an important part of faith.
7. The practice of service	Understanding what service is and why we do it.
8. The practice of forgiveness	Understanding what forgiveness is and everyone's need for it
9. The practice of faith-sharing	Beginning understanding of what it means to share God's love and story.
10. The practice of theology	Learning how to look for God in daily life and talk about God's work and presence.

Confirmation Summary

Confirmation is a two-year journey beginning in 7th grade, culminating in Confirmation at the end of 8th grade, if the student feels ready to make the faith commitment. Confirmation formation prepares students to take the vows of baptism for themselves, and for membership in this congregation, and the United Methodist Church. At this stage in Christian formation, students are encouraged to explore how their faith experience relates to the United Methodist Church in its history, traditions, and doctrine. The curriculum includes church history, doctrine, theology, and personal reflection and application. The experience includes Sunday School classes, retreats, and other faith formative opportunities. For the best experience, we encourage students to be “present” both physically and spiritually at all offerings. If a student does not feel ready to make the commitment of Confirmation, they are still welcome to participate in any and all of the experiences offered for this age group.

Launch

There are about 200 weeks between Confirmation Sunday and Launch Sunday, when we celebrate with your family the graduation of your youth from high school, and youth ministry. At Confirmation, youth will be assigned a mentor that will journey with them through these weeks as they live into their baptismal and membership vows. At Confirmation, youth will also receive a “Passport to Launch” as a journal that will serve as a memory keeper, a prayer reminder, and a tool for you to celebrate what God is doing in their lives. Youth will keep track of their discipleship practices like faith formation, worship, and service. A digital version is available for those who prefer it.

When the 200 weeks are completed, we invite these young adult disciples to celebrate with us in worship with a ritual of sending as we launch them into the world as faithful disciples.
