TEACHING & LEARNING TOGETHER

SMALL GROUPS FOR ADULT DISCIPLES

There are many ways to grow in faith at UMCB - involvement in a small group is a big way you can do that. Our Methodist tradition was built on the truth that small groups help people to grow most in their faith because of the accountability and close relationships that lead to spiritual growth. Our faith was not meant to be lived alone - but in relationship with others. Take a look at the list of the many groups we have already and feel welcome to pop in and try something new this fall. Anticipate that God will bring you - and your group - growth because you are there! If you don't see a group that fits you, please contact **Pastor Carrie** at (cantczak@umcb.org, 440-234-3525 x105) and we can explore ways for you to help start a new group.

There's more coming soon, too! Stay tuned!

A team photo in traditional Guatemalan clothes

Standing by a completed stove

¡Hola! I spent a week in rural Guatemala with members of Old Bridge UMC in Woodbridge, Virginia. We spent three days building stoves in the highlands in order to provide families with a safer alternative to the fires that they had been using to cook. On Thursday we spent the morning volunteering at a local school assisting kids with Mayan art and math projects. On Friday we spent time exploring Antigua.

During my time in Guatemala I was very aware of the significant needs of the community such as a need to reduce domestic violence and food insecurity and increase access to safe drinking water. That being said, there were still many instances in which I could sense the work of God. Whether it was chatting with the women in the village and seeing how happy they were even amidst difficult circumstances or playing soccer with the kids and letting the girls braid my hair while they smiled and giggled, I could see the outpouring of the Holy Spirit in this place. I am so grateful to have had the opportunity to show love to the people of Guatemala and have love shown to me in return.

SHARING GOD'S LOVE

Dear UMCB congregation,

I would like to send a huge thank you on behalf of the BW first-generation student population. Thanks to your help in partnership with faculty and staff, we collected over 100 items to distribute to students in need. Your generosity goes beyond simply making donations. Not only have you helped to make the first annual drive a success, but you gave hope to students at the forefront of advocacy for those who come from little social capital or underrepresented backgrounds. We are beyond grateful!

Mia Basit
The Porch Student Minister

GENEROUS HEARTS, THOUGHTFUL DONATIONS

We thank you for your generosity in donating unwanted items from your home. However, there are other places that are more ready to accept your donations. Please do **not** leave donations in offices, kitchens, or at the coffee station. It's difficult to manage how old perishable items are, and the amount we are able to use.

For unopened non-perishable food donations: please leave in Mother Hubbard's Cupboard (between the Narthex and the Library), or give to Second Mile Outreach (1480 W Bagley Rd). For clothing or houseware donations, we recommend Second Mile Outreach or Common Threads (www.commonthreadsthrift.com/donate).

We **do** accept donations for the current month's Love Your Neighbor project. This month is candy for Trunk or Treat and financial donations for Help Build Hope. Stay tuned to the Caller and other publications for current donation requests.

Thank you for understanding!

SEPTEMBER LOVE YOUR NEIGHBOR

Each month, we have a project for our church and community to take part in that make a difference in the Beloved Community. This month, we encourage folks to participate in Help Build Hope.

We are also beginning our candy collection for October's Messy Church Trunk or Treat.

We all are gifted with a variety of gifts - your sharing in whatever way you can make a difference. Keep up the good work in loving our neighbors!

DINNER CHURCH

SUNDAY, SEPTEMBER 24
5 PM, FELLOWSHIP HALL

**Dinner Church has moved to the
fourth Sunday of the month at 5 PM!**

Dinner church is a great opportunity for you to share your faith! Invite those who are new to church, or haven't been in awhile, or who are looking for a safe and welcoming home to explore their faith questions.

We ask two things of you: Bring a friend. Bring a dish. Sharing faith is really that easy - it worked for Jesus and his disciples - and it still works today. Sharing a meal, friendship, stories, and our journeys is the perfect "recipe" for growing together, and growing our community.

Dinner will be followed by a short worship experience, and then age related small groups. Adults can explore more about the night's topic, children can enjoy faithful play, and youth group will meet for fun and friendship. The whole evening will span from 5-7 PM. We will need leaders for each of these groups. Please reach out to Pastor Carrie to learn how you can help.

**Our Next Dinner Church and Small Groups
will be September 24 at 5 PM

PRAYER SHAWL MINISTRY

THE 1ST & 3RD WEDNESDAY OF EACH MONTH
(SEPTEMBER 6 & 20 FOR THIS MONTH)
10 AM - NOON, ROOM 13

Do you knit or crochet? Are you interested in using your gift to bless others? Would you like to combine your gift with prayer? If yes to any of the above questions, consider joining our new prayer shawl ministry!

We are meeting on the first or third Wednesdays from 10 AM to Noon in Room 13 and we'd love widen our circle! We start with prayer and close with prayer so that the shawls are covered in prayer. The shawls are created from easy patterns and are about the size of a lap quilt. We are still working on our first prayer shawls and once we have created some, Pastor Steve and our group will be distributing them to persons who need to feel those prayers and need to feel the love of their church family and our loving God.

If you'd like to join us (either in person or at home) or have questions, please contact Linda McCowen at lsmccowen@gmail.com or see Linda at church on Sunday morning, or join us on the first or third Wednesday of the month!

WHAT'S IN THE DISPLAY CASE?

(LOCATED BETWEEN THE NARTHEX AND THE PARLOR)

Did you know you can wash your clothes with a sheet? Several companies offer laundry sheets (vs. liquid detergent) that dissolve in the wash. They are packaged in a small box which is lightweight and recyclable vs. a heavier plastic bottle that is partly filled with water. Also in the display case you will find other sustainable items and "recipes" for how to make simple, non-toxic cleaning products like window cleaner. These items and most of the recipes have been "reallife tested" by members of the UMCB Church and Society/Creation Justice team so feel free to ask us about them.

The earth is warming at an unsustainable rate. This affects our health (e.g. poor air quality in Ohio due to Canadian wildfires), loss of lives and homes (e.g. devastating fires in Maui) and loss of livelihoods and food (e.g. loss of crops during the recent droughts). By purchasing items that are sold in paper or other packaging or by reusing containers for storage or homemade cleaning products you are helping God's creation by reducing the amount of the earth's resources that are used and creating healthier conditions for workers and for our air. Production of plastic items can create unhealthy air conditions for factory employees and via air pollution. For a look at the lifecycle of a product and its impact on the earth, you are encouraged to watch the short, informative video, "The Story of Stuff" at <https://www.storyofstuff.org/movies/story-of-stuff/>.

As you look at the information and the items in the display case, take a moment to think . . . "What small things can I do to help make the earth a more hospitable place to live for myself, my loved ones and all God's creation?"

Wendy Jelinek, Church and Society/Creation Justice
